Anyone who wants to increase sales!!!

WHAT are Tags?

Hi-tech imprints... customers just scan with their Smartphone, and it loads your website or content!

WHERE can you put Tags?

We can design and imprint Tags on most products!

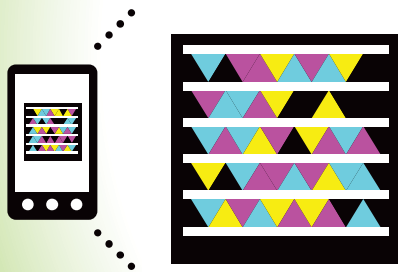

WHY use Tags?

Maximize the exposure of your products & website!

HOW do you use Tags?

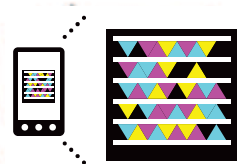

Simple instructions below

NEW!

Show your clients! Using Tags is as simple as...

1.) Download the tag reader at <http://gettag.mobi> or from your phone's app store.

Get the free mobile app at <http://gettag.mobi>

2.) Open our 2011 catalog and search for your favorite product...

3.) Scan the tag and "Voila!"...the product page on our website loads automatically!
