

# Introducing the Qi Wireless Charger

AiO-QiCHR

Wireless charging pad for your Apple or Android devices.

## How it Works:

- Plug the pad into any USB power source, place your Qi-compatible device on the pad, and it charges wirelessly
- Power Rating: 5W

## What it comes with:

- Charging Pad (Black or White)
- Micro-USB Cable
- Packaged in a White Tuck Box.

## Color Choices:

- Black or White main charging pad.
- Pick from 10 different Ring Colors. Colors can be mixed.

## Imprinting:

- Standard One Color or Two Color Imprint.
- For VibraColor® Imprint please inquire. Black product will require a White Underlay.
